Class hours: 16.0
Course fee: **\$50.00**
Course # 17260

This mentally and physically challenging, 2 day hands-on class will provide the necessary skill sets for this critical fireground function. This training will be performed by highly experienced Fire Instructors and will tremendously benefit line Fire Fighters and Officers. The primary focus of this class will be to allow the student to gain sufficient knowledge and skills so that he/she is able to safely perform proper RIT functions. This training will have some classroom, but mostly practical portions creating realistic situations where RIT would be used under live fire/smoke conditions.
