TO WRITE AUTOMOBILE LIABILITY AND PHYSICAL DAMAGE
INSURANCE

SUBJECT: REGULATIONS CONCERNING PRIVATE PASSENGER
AUTOMOBILE INSURANCE STATISTICAL DATA MONITORING
SYSTEM (SDMS), REGS., CONN. STATE AGENCIES, §38a-693-1 to
38a-693-6

Regulations of Connecticut State Agencies §38a-693-1 to 38a-693-6 establish requirements for the Private Passenger Automobile Insurance Statistical Data Monitoring System.

Subsection (a) of §38a-693-5 permits the Insurance Commissioner to waive or modify any SDMS requirements for an individual insurer or statistical agent where the insurer has demonstrated that implementation of the requirements would be impractical or unreasonable because of the small volume of private passenger automobile insurance premiums written by the insurer, or in such other instances, where the insurance commissioner deems that such implementation would place an unreasonable burden on the insurer or statistical agent.

To obtain approval for a waiver of an SDMS requirement(s) based on small volume, a company must submit a written request for the waiver, identify the statistical agent used, and meet the following conditions:

- (1) Connecticut private passenger automobile premiums for the most recently completed calendar year must be less than \$1,000,000, and
- (2) the company requesting the waiver is not reporting their data to a statistical agent as part of a group.

A handwritten signature in cursive script that reads "Susan F. Cogswell".

Susan F. Cogswell
Insurance Commissioner
