Re: **Docket No. 505 – Haddam Quarter Solar LLC**
Comments on the November 12, 2021 Draft Findings of Fact

Dear Attorney Bachman:

This is in response to your November 22, 2021 memorandum and the November 12, 2021 Draft Findings of Fact issued and reviewed by the Siting Council (“Council”) at its regular business meeting on November 18, 2021. Haddam Quarter Solar LLC offers the following comments on and proposed modifications to certain Draft Findings of Fact.

Finding of Fact No. 7, second sentence should be corrected to read:

“The proposed project is prepared to bid into the State’s first competitive process for the Feed-in-Tariff program”. This language is consistent with the Applicant’s Exhibit 5, Interrogatory Response No. 9.

Finding of Fact No. 95, minor correction to the spelling of “Trina” DuoMax Twin.

Sincerely,

Kenneth C. Baldwin
