December 7, 2021

The Honorable Shawn T. Wooden  
State Treasurer  
Office of the Treasurer  
55 Elm Street  
Hartford, CT 06106

RE: **DOCKET NO. 505** – Haddam Quarter Solar, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 2.8-megawatt-AC solar photovoltaic electric generating facility located south of Haddam Quarter Road and north of Johnson Lane, Durham, Connecticut and associated electrical interconnection.

Dear Mr. Wooden:

On December 6, 2021, the Connecticut Siting Council sent correspondence referencing the Town of Haddam. This was an error. The correct municipal reference is the **Town of Durham**.

Pursuant to Connecticut General Statutes § 16-50(bb), please be advised that on December 2, 2021 the Connecticut Siting Council (Council) rendered a final decision in the above-referenced proceeding.

The Council did not receive a request from the Town of Durham to become a party or intervenor to this proceeding. Therefore, the Town of Durham is **not** eligible to request funds for reimbursement of expenses.

After January 31, 2022, unused portions of the Municipal Participation Account for this docket should be returned to the following:

Graham Basecke  
Sr. Project Manager  
Louth Callan Renewables  
921 Thrall Avenue  
Suffield, CT 06078

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman  
Executive Director
