Re: Docket No. 508 - The United Illuminating Company Application for a Certificate of Environmental Compatibility and Public Need for the Milvon to West River Railroad Transmission Line 115-kV Rebuild Project

Dear Ms. Bachman:

Enclosed for filing with the Connecticut Siting Council ("Council") is The United Illuminating Company's (the "Company") revised response to the City of Milford's May 9, 2022 Interrogatory 7 ("MIL 2-7").

The Company's May 17, 2022 response included out-of-date information that the Company failed to correct when it submitted a revised response to the City of Milford's May 9, 2022 Interrogatory 6 ("MIL 2-6"). MIL 2-7 references MIL 2-6. The Company apologizes for this oversight.

An original and fifteen (15) copies of this filing will be mailed to the Council.

Should you have any questions regarding this letter, please do not hesitate to contact me.

Very truly yours,

Bruce L. McDermott
