NOTICE OF INTENT TO BE PARTY
BY CITY OF MILFORD

Pursuant to General Statutes § 16-50n(a)(2) and Conn. State Regs. § 16-50j-13, the City of Milford (“City”) respectfully submits this notice of intent to be a party in the application and hearing process for Docket No. 508 pending before the Connecticut Siting Council.

The City has an interest in the hearing and in the pre-hearing process to aid the Council in balancing the public interest considerations, including with respect to the impact of the proposed transmission line on environmental, scenic, historic, and/or recreational values in the City and the availability of underground alternatives or alternatives with respect to overhead tower design and appearance and heights for transmission lines located within the vicinity of properties/districts of visual, aesthetic, or historic value.

The City proposes to participate in the hearing by filing pre-hearing interrogatories, cross-examining the Applicant’s witnesses, and/or offering oral and written testimony of its own witnesses and documentary evidence.

For these reasons, the City respectfully requests to be named as a party to Docket No.

508.

Respectfully submitted,

CITY OF MILFORD
