RE: **DOCKET NO. 512** - Homeland Towers, LLC and New Cingular Wireless PCS, LLC d/b/a AT&T application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 60 Vale Road, Brookfield, Connecticut.

Dear Attorneys Chiocchio and Patrick:

The current decision deadline for the above-mentioned application is January 7, 2023. Due to the cancellation of a regular meeting for the Thanksgiving holiday and the upcoming meeting schedule to the end of the year, the Connecticut Siting Council (Council) will need additional time to render a final decision.

Connecticut General Statutes §16-50p(a) states, in part, "The Council's decision shall be rendered... Not later than one hundred eighty days after the filing of an application... provided the Council may extend such period by not more than one hundred eighty days with the consent of the applicant."

Pursuant to Connecticut General Statutes §16-50p(a), the Council hereby requests consent from the applicants for an extension of the decision deadline in Docket 512 until February 3, 2023. Please respond in writing by **November 21, 2022**.

The applicants' consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie Bachman  
Executive Director

MB/MP
