RE: **DOCKET NO. 512** - Homeland Towers, LLC and New Cingular Wireless PCS, LLC d/b/a AT&T application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 60 Vale Road, Brookfield, Connecticut.

Dear Attorney Chiocchio:

The current deadline for a completeness review for the above-mentioned application is September 9, 2022. Due to the cancellation of the Connecticut Siting Council's (Council) September 1, 2022 regular meeting, the Council will need additional time for a completeness review for this application and therefore requests an extension until September 16, 2022.

The applicants' consent to the requested extension of time to deem the application complete shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165). Please respond in writing by **August 25, 2022**.

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
