RE: **DOCKET NO. 488** - Homeland Towers, LLC and New Cingular Wireless PCS, LLC d/b/a AT&T application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at one of two sites: Kent Tax Assessor ID #M10, Block 22, Lot 38 Bald Hill Road or 93 Richards Road, Kent, Connecticut.

Dear Attorney Chiocchio:

The current deadline for a completeness review for the above-mentioned application is March 29, 2020. Please be advised that there is currently a statewide effort to prevent spread of the Coronavirus and this may adversely impact upcoming scheduled energy/telecommunications meetings and other Connecticut Siting Council (Council) business. In the event that Council business is disrupted and/or delayed, the Council will need additional time for a completeness review for this application and therefore requests an extension until May 22, 2020.

The applicants' consent to the requested extension of time to deem the application complete shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165). Please respond in writing by **March 19, 2020**.

We thank you in advance for your timely response to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie A. Bachman".
