Re: DOCKET NO. 488 – Homeland Towers, LLC and New Cingular Wireless PCS, LLC d/b/a AT&T application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at one of two sites: Kent Tax Assessor ID #M10, Block 22, Lot 38 Bald Hill Road or 93 Richards Road, Kent, Connecticut.

Dear Attorney Bachman:

The purpose of this letter is to notify you and the Connecticut Siting Council of Verizon Wireless' interest in sharing the proposed Homeland Towers, LLC tower site at one of two sites: Kent Tax Assessor ID #M10, Block 22, Lot 38 Bald Hill Road or 93 Richards Road, Kent, Connecticut. Either of the two tower locations would be acceptable to Verizon Wireless.

If the Docket No. 488 application is approved, Verizon Wireless would seek Council approval to install antennas at the 121 foot level on the tower.

If you have any questions or need any additional information, please feel free to contact me.

Sincerely,

Alejandro Restrepo
Sr. Manager - Radio Frequency Design & Traffic Engineering
Verizon Wireless
