Re: Docket 490 - The United Illuminating Company Application for a Certificate of Environmental Compatibility and Public Need for the Old Town Substation Rebuild Project

Dear Ms. Bachman:

Pursuant to Connecticut General Statutes ("CGS") §16-50/(e), The United Illuminating Company ("UI") hereby submits to the Connecticut Siting Council ("Council") the materials provided to the City of Bridgeport and the Town of Trumbull (collectively, the "Municipalities") in connection with the municipal consultation period (the "Municipal Consultation Filing"). In addition to the materials provided in this filing, a summary of UI's municipal consultation efforts are provided in Appendix H of the Application. No comments or recommendations were made by the Municipalities.

UI's Municipal Consultation Filing includes the following:

- The boards presented during the March 9, 2020 open house that was held at the Lake Forest Clubhouse, 424 Frenchtown Road, Bridgeport, CT.
- UI's letter to the Municipalities concerning the municipal consultation period.
- The January 2020 municipal consultation filing provided to the Chief Elected Officials.

Given that the Council's modifications to its hard copy filing requirements as part of its response to the COVID-19 pandemic, by this letter, UI submits to the Council an electronic copy of the Municipal Consultation Filing and one hard copy of materials will be mailed to the Council's office.
