RE: **DOCKET 192B-** CPV Towantic, LLC Motion to Reopen and Modify the June 23, 1999 Certificate of Environmental Compatibility and Public Need based on changed conditions pursuant to Connecticut General Statutes §4-181a(b) for the construction, maintenance and operation of a 785 MW dual-fuel combined cycle electric generating facility located north of the Prokop Road and Towantic Hill Road intersection in the Town of Oxford, Connecticut.

Dear Attorney Small:

The current decision deadline for the above-mentioned docket is May 12, 2015. Due to the complexity and scheduling of seven public hearings on this matter, the Connecticut Siting Council (Council) will need additional time to render a final decision.

Connecticut General Statutes § 16-50p(a) states, in part, "The Council's decision shall be rendered... Not later than one hundred eighty days after the filing of an application... provided the Council may extend such period by not more than one hundred eighty days **with the consent of the applicant.**" (Emphasis added).

Pursuant to Connecticut General Statutes §16-50p(a), the Council hereby requests consent from the applicant for an extension of the decision deadline in Docket 192B until May 29, 2015.

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Acting Executive Director
