RE: Application for Certificate of Environmental Compatibility and Public Need
208 Valley Road, New Canaan, Connecticut

Dear Mr. Langer:

We are in receipt of the above referenced application. It is evident that your office has worked closely with the Town of New Canaan throughout the preliminary planning process for the proposed telecommunications facility. Furthermore, we note the other agency approvals and the fact that our referrals process does not include this type of application.

Thank you for notifying this Agency of the application process.

Sincerely,

Floyd Lapp
Executive Director
