Re: SBA Towers III & AT&T
Application for Certificate of Environmental Compatibility and Public Need
Wewaka Brook Road, Bridgewater, Connecticut

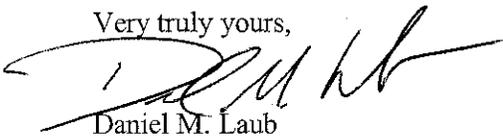

Dear Chairman Caruso and Members of the Council:

On behalf of SBA Towers III and New Cingular Wireless PCS, LLC ("AT&T"), we respectfully enclose an original and twenty-five copies of an Application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility in the Town of Bridgewater.

Please also find enclosed four copies of the bulk filing which includes the Town of Bridgewater's Zoning Regulations, Plan of Conservation and Development, Inland Wetlands Regulations, and Zoning Map as well as a Technical Report submitted to the Town of Bridgewater. The original affidavits of publication of notice of intent to file the enclosed Application are similarly included. A check payable to the "Connecticut Siting Council" in the amount of \$1,250.00, representing the filing fee, is also enclosed. Please note that a CD with the electronic copy of the Application as well as the lease agreement and attendant motion for protective order will follow separately.

We would respectfully request that this matter be assigned a docket number and placed on the next available Council agenda for scheduling of a public hearing in Bridgewater. Should the Council or staff have any questions regarding this matter, please do not hesitate to contact us.

Very truly yours,

Daniel M. Laub

NOTICE

Notice is hereby given, pursuant to Section 16-50i(b) of the Connecticut General Statutes and Section 16-50l-1(e) of the Regulations of Connecticut State Agencies of an Application to be filed with the Connecticut Siting Council ("Siting Council") on or after October 18, 2010 by SBA Towers III LLC ("SBA") and New Cingular Wireless PCS, LLC ("AT&T") for a certificate of environmental compatibility and public need for the construction and maintenance of a wireless telecommunications facility in Bridgewater, Connecticut. The property being considered for the proposed wireless telecommunications facility (the "Facility") is 0 Wewaka Brook Road (tax map identification number 15-3-1) with access via the adjoining property at 89 Wewaka Brook Road. The proposed Facility will be located in the northern portion of the parcel and is proposed as a 170-foot self-supporting tower. The tower, antennas and ground equipment will all be within a 45' x 80' fenced equipment compound designed to accommodate unmanned equipment in either single-story equipment buildings or on concrete pads. Access to the Facility will be over an existing access drive from Wewaka Brook Road and then over a new 12 foot wide gravel access drive approximately 2,215 feet in length to the proposed equipment compound.

The location, height and other features of the proposed Facility are subject to review and potential change under provisions of the Connecticut General Statutes Sections 16-50g et. seq.

The Facility is being proposed to allow AT&T to provide service in this area of Town. The Application explains the need, purpose and benefits of the Facility and also describes the environmental impacts of the proposed Facility. The Facility will be available for collocation by other wireless carriers.

A balloon, representative of the proposed height of the monopole, will be flown at the proposed site on the first day of the Siting Council public hearing on the Application, which will take place in Town, on such other date specified by the Siting Council and a time to be determined by the Siting Council, but anticipated to be between the hours of 12pm and 5pm.

Interested parties and residents of the Town of Bridgewater, Connecticut are invited to review the Application during normal business hours after October 18, 2010 at any of the following offices:
