Re: Docket 437 – Request for Extension of Time
New Cingular Wireless PCS, LLC (“AT&T”)
111 Second Hill Road, Bridgewater, Connecticut

Dear Chairman Robert Stein and Members of the Connecticut Siting Council:

On behalf of our client, New Cingular Wireless PCS, LLC (“AT&T”), please accept this letter regarding the captioned Facility for which the Siting Council issued a Certificate of Environmental Compatibility and Public Need in Docket 437 (“Certificate”).

Condition 6 of the Decision and Order dated September 5, 2013 required the approved facility to be fully constructed and providing wireless services within eighteen months from the date of the mailing of the Council’s Findings of Fact, Opinion, and Decision and Order.

While the tower is constructed, we are advised that AT&T’s antennas and equipment will not be installed until next year (2015). Accordingly, we respectfully request a six month extension of the Certificate’s allowed completion time to September 5, 2015 to allow sufficient time for the installation of AT&T’s Facility.

Should Council members or Staff have any questions regarding the foregoing please do not hesitate to contact me. Thank you for your consideration of this request.

Very truly yours,

Daniel M. Laub
