RE: **Docket No.447** – New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunication facility at 560 West Hill Road, Stamford, CT

Dear Ms. Bachman:

The Drinking Water Section of the Department of Public Health has reviewed the application associated with the above noted Docket for potential impacts to any sources of public drinking water supply. This project does not appear to be in a public water supply source water area; therefore, the Drinking Water Section has no comments at this time.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric McPhee".
