Re: DOCKET NO. 451 – InSite Towers Development, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at the Cheshire Wastewater Treatment Plant, Cheshire Tax Assessor Map 38, Lot 180, 1325 Cheshire Street, Cheshire, Connecticut.

Dear Ms. Bachman:

We are writing on behalf of New Cingular Wireless PCS, LLC (AT&T) in furtherance of our December 19, 2019 letter related to the tower facility constructed at the Town of Cheshire's Wastewater Treatment Plant by Insite Towers Development, LLC.

AT&T has advised us that they recently added this site to its capital plan for installation of a facility and that they anticipate making it operational by the current Siting Council Certificate deadline of January 14, 2021.

Please do not hesitate to contact me if we can be of further assistance.

Very truly yours,
