Re: Connecticut Siting Council Docket No. 463A  
TowerCo & New Cingular Wireless PCS, LLC ("AT&T")  
Request for an Extension of Time  
2 Arbor Crossing, East Lyme, Connecticut

Dear Ms. Bachman:

On behalf of TowerCo, the Certificate holder, and New Cingular Wireless PCS, LLC ("AT&T"), we respectfully request an extension of time for the facility approved in the captioned Docket to become operational. An extension of time was previously granted to July 1, 2020. The tower approved in Docket 463A is constructed, and AT&T is in the process of installing its facility on the tower. Prior to the COVID-19 pandemic, AT&T anticipated that its facility would be operational by July 1, 2020. However, given the uncertainty associated with the pandemic, a six month extension of time to January 2, 2021 for the facility to become operational is respectfully requested.

Thank you for your consideration of this request.

Very truly yours,
