RE: **PETITION NO. 1068** – BE 2012 A LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the location and construction of a Customer-Side 400 kW Fuel Cell facility to be located at AT&T, 26 Washington Street, New London, Connecticut.

The Connecticut Siting Council (Council) will hold a pre-hearing teleconference on procedural matters on Wednesday, October 9, 2013, beginning at 11:00 a.m. All parties and intervenors are requested to participate. The purpose of this pre-hearing conference is to expedite the hearing procedure without sacrificing an informative record necessary for the Council to render a decision.

Call number: 866-904-7163

Passcode: 1723064

At the conference, parties and intervenors will be encouraged to discuss requirements for pre-filed testimony, exhibit lists, administrative notice lists, expected witness lists, and the filing of pre-hearing interrogatories. To save the time and expense of the public, the Council wishes to avoid direct testimony at the hearing.

Each party and intervenor is requested to provide all other parties and intervenors that participate in the teleconference a list of witnesses and the subjects their pre-filed testimony will address, a list of documents to be administratively noticed, and copies of any available exhibits to be offered at the hearing. The pre-hearing conference will also address the grouping of parties and intervenors and the order of presentations at the hearing.
