RE: **EM-CING-006-190607** – New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 60 Rice Lane (a/k/a 10 Terese Road), Beacon Falls, Connecticut.

Dear Mr. Meyers:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on June 7, 2019.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the Construction drawings (CD) prepared by Hudson Design Group and dated April 19, 2019. Sheets A-1, A-2, A-3 and S-1 of the CD reference a Monopole Modification Design by Tower Engineering Solutions, dated April 8, 2019. These modification drawings were also referenced on page 6 of the Post-Mod Structural Analysis Report dated March 26, 2019. The modification design drawings were not provided with the request.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Centerline Communications provide the Monopole Modification Design Drawings referenced above, on or before July 15, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to July 15, 2019. **Please provide an electronic version and one hard copy of the response for the incomplete request to be rendered complete and processed.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director
