RE: REQUEST FOR CERTIFICATE OF OCCUPANCY

Dear Mr. Nelson,

Tectonic Engineering and Surveying Consultants, P.C. (Tectonic) has performed an inspection of the upgrade work for the T-Mobile installation at the above referenced site. During this inspection it was found that the upgrades to the T-Mobile installation, including the equipment work and tower antenna work, was constructed in accordance with the final construction drawings prepared by Tectonic dated 08/23/16 and the State of Connecticut Building Code.

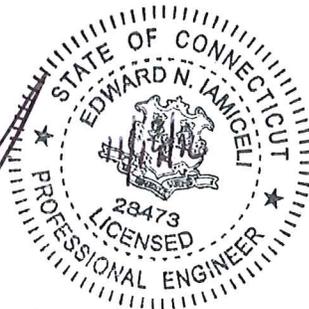

Therefore, Tectonic respectfully requests the certificate of occupancy be issued for T-Mobile's installation. Should you have any questions, please do not hesitate to contact me at 845-567-6656, Ext. 2811.

Sincerely,

TECTONIC
