Dear Ms. Bachman:

On March 20, 2017, the Siting Council (“Council”) acknowledged receipt of the above-referenced notice of intent to modify the existing telecommunications facility at 719 George Washington Turnpike in Burlington, Connecticut. The purpose of this letter is to notify the Council that Cellco’s facility modifications approved in EM-VER-020-170224 will not be completed. Cellco will not, therefore, be supplying the Council with a construction completion notification.

If you have any questions please contact me.

Sincerely,

Kenneth C. Baldwin
