Re: EM-T-Mobile-025-170228 – T-Mobile of Notice of Intent to Modify an Existing Telecommunications Facility Located at 1119 Summit Road, Cheshire, Connecticut.

Dear Attorney Bachman,

The Town of Cheshire has reviewed the referenced matter and has no objection to the proposal, but we request that T-Mobile comply with the following:

1. If they will be bringing heavy equipment into Cheshire, we ask that they contact the Cheshire Police Department regarding scheduling to avoid creating traffic issues, and
2. Since the Town has emergency services equipment on this tower, we request assurance from T-Mobile that installation activity and any added equipment will not interfere with the Town's emergency equipment.

Thank you for providing us the time to review this proposal.

Very truly yours,

A handwritten signature in blue ink that reads "Michael A. Milone".
