RE: **TS-T-MOBILE-031-170117** - T-Mobile Northeast LLC request for an order to approve tower sharing at an existing telecommunications facility located at 36 Mohawk Mountain Road, Cornwall, Connecticut.

Dear Mr. Simons:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time for this tower share request, dated June 28, 2018.

The Council hereby denies the request for an extension of time of the proposed installation at the above-referenced facility. Pursuant to Conditions 7 and 8 of the Council's decision letter dated February 21, 2017 for the tower sharing request, the Council's approval for this tower share expired on February 21, 2018 and the applicant did not submit a request for an extension at least 60 days prior to the expiration.

Please note that if an amended tower share request is presented to the Council in the future for 36 Mohawk Mountain Road, Cornwall, it will need to be submitted as a new tower share request that must follow the applicable statutory and regulatory requirements for a new tower share request.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman  
Executive Director

Dear Attorney Bachman,

The following T-Mobile exempt modification site is unable to meet Connecticut Siting Council closeout requirements due to the fact that the Professional Engineer Letter has not been completed yet. The Letter is expected to be completed by the end of July 2018. Upon the completion of the Engineer Letter we will submit a closeout letter for the below site.
