Re: New Cingular Wireless PCS, LLC (AT&T)
Exempt Modification/Tower Share Conditions
Notification of Completion-Extension Request

Dear Executive Director Bachman:

On behalf of our client, New Cingular Wireless PCS, LLC ("AT&T"), we are in receipt of your July 1, 2014 letter which requests AT&T to provide written notification of completion of construction and/or written notice of compliance with site specific conditions for various exempt modification filings made by AT&T and its vendors for the period of April 1, 2013 through June 30, 2013.

We are writing to confirm your receipt of correspondence from SAI Communications dated August 28, 2014 for two (2) of the sites on the list you provided, as follows:

1. EM#-CING-038-130801- Notice of Completion of Construction
2. TS#-CING-169-130607- Notice of Completion of Construction

Copies of SAI's letters are enclosed as well.

With respect to the remaining matters, AT&T is currently auditing its files internally to be able to provide the CSC with certifications and status on the remaining sites listed. In this regard, some of AT&T's vendors who filed the regulatory notices are no longer on the AT&T project and as such, it is taking some additional time. As such, we respectfully request an extension of time to November 1, 2014 for AT&T and its vendors to respond regarding the remaining matters listed in your letter of July 1, 2014.

Thank you in advance for your consideration of this request.

Very truly yours,

A handwritten signature in black ink, appearing to read "Chris Fisher".
