RE: **EM-AT&T-043-160520** – AT&T notice of intent to modify an existing telecommunications facility located at 2 Prestige Park Road (a/k/a 310 Prestige Park Drive), East Hartford, Connecticut.

Dear Ms. Seeley:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated March 13, 2020, submitted on behalf of AT&T, requesting an extension of time to respond to the status information request, dated March 6, 2020, for the above-referenced exempt modification.

The Council hereby grants an extension of time until April 20, 2020, to submit a notice of completion of construction.

This extension is granted with the understanding that the Council will be notified should AT&T need additional time to submit a notice of completion or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Executive Director

Also, I will not be able to have this info by 3/20/20. Can I send my written request to you via email in a word doc or does it have to be send via mail?

Yes, the Council is looking for the status of this project. Please note, if the status is not complete, the decision letter has expired and a new exempt modification request with a \$625 filing fee has to be submitted.
