RE: **EM-T-MOBILE-047-180817** – T-Mobile notice of intent to modify an existing telecommunications facility located at 232 South Main Street, East Windsor, Connecticut.

Dear Ms. Sabo:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 17, 2018.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the above request for exempt modification. Construction Drawing (CD) Sheet A-2 prepared by Foresite, LLC, last revised on August 1, 2018, includes a structural note referencing a tower Structural Analysis (SA) report prepared by Destek dated June 14, 2018, and CD Sheet A-3 includes a note referencing a SA report prepared by Destek dated June 25, 2018. However, the SA report provided with the request for exempt modification is dated August 14, 2018. The date of this SA is inconsistent with the above referenced CD notes.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Northeast Site Solutions provide revised CDs that account for the most recent SA. This information shall be submitted on or before September 20, 2018. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to September 20, 2018.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director
