Re: EM-EVER-061-160726 – Telecommunications Facility – 330 Pokorny Rd., Haddam, CT  
Notice of Completion

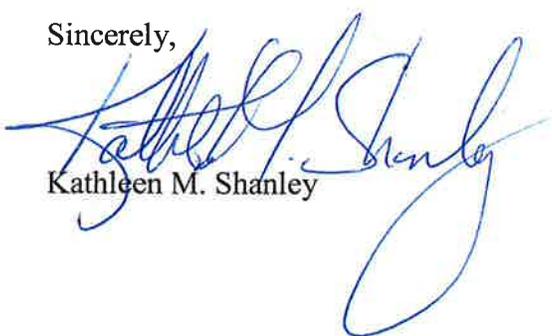

Dear Chairman Stein:

The Connecticut Light and Power Company (“CL&P”) doing business as Eversource Energy (“Eversource”) received acknowledgement from the Connecticut Siting Council (“Council”) on August 15, 2016 that Eversource’s proposed modification of the existing telecommunications facility would comply with the exempt modification criteria in Section 16-50j-73 of the Regulations of Connecticut State Agencies. The Council included conditions regarding the work undertaken pursuant to modification. Eversource submits this letter to provide notice that Eversource has complied with the Council’s conditions as follows:

- Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed. Eversource completed construction on February 28, 2017; this letter provides notice of completion of this modification.
- There were no material changes or other deviations to this modification.

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

  
Kathleen M. Shanley
