RE: **EM-VER-069-190814** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 1375 North Road, Killingly (a/k/a Dayville), Connecticut.

Dear Mr. Murshteyn:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 14, 2019.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified the following deficiencies in the submittal:

1. The request lacks documentation showing the original facility approval or correspondence stating that there are no records of the original facility approval; and
2. An Antenna Mount Analysis indicating the ability of the existing antenna mount to support the proposed equipment loading has not been provided with the request.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Centerline Communications provide documentation showing the original facility approval with conditions if any and an Antenna Mount Analysis for the proposed modifications, on or before September 16, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to September 16, 2019. **Please provide an electronic version and one hard copy of the response for the incomplete request to be rendered complete and processed.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director

MAB/IN/emr
