Good afternoon, Victoria.

All is well. Thanks for asking. I hope all is well with you, too.

We have no record of receiving this request for an extension. Therefore, a new request for exempt modification should be submitted.

Thanks.

**Subject:** CSC Extension Letter Request-142 Baldwin Avenue, New Haven (CT11086B-L700 4x2 & AAS)

Hello Melanie,  
I hope all is well with you.  
I have been working with Denise Sabo and training with her to take over her role with all permit filings.

T-Mobile has begun work again on sites that were originally put on hold for the past few months. In the changing of hands from Denise to myself and the new influx of work I have started to review all of our CSC filings and came across this site **EM-T-Mobile-093-190103: 142 Baldwin Avenue, New Haven** that does not show the extension letter uploaded on the CSC website. I apologize that I did not catch this sooner and we are working on new protocols to ensure this mistake will not happen again.

T-Mobile is having us review all of our current documents to ensure everything is up to date and would like to complete these sites as soon as possible in order to catch up on the work that was on hold for the past few months.

Please advise.

Thank you very much
