**Attachments:** EM-CING-095-200124 Response Ltr - 2.6.2020.pdf

Good afternoon,

Attached please find a copy of the Cover Letter and Building Permit No. 3615, that is in response to the Council's Letter dated January 28, 2020 regarding the above referenced exempt modification identification number. Hard copies of the documents will be delivered to the Council tomorrow via UPS overnight delivery. A copy of the UPS label is also attached for tracking purposes.

Please let us know if you need anything further to complete the review of the exempt modification request.

Thank you,  
Trish

**Regarding:** EM-CING-095-200124 -Notice of Exempt Modification  
**AT&T Site:** CT2080  
**Address:** 26 Washington Street, New London, CT

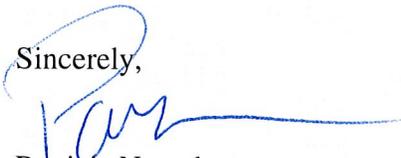

Dear Ms. Bachman:

In response to your letter dated January 28, 2020 regarding the Council's above referenced EM identification number, please find enclosed a copy of Building Permit Number 3615 issued on December 21, 1966 in which the Building Division, Department of Public Works – City of New London approved the facility located at 26 Washington Street, New London, CT. I also contacted the City of New London Building Department and Office of Development and Planning to request any further documentation of the City's approval, but I did not receive a response. Lastly, I could not locate any further documentation on the City of New London's City Clerk online database.

Please let me know if the enclosed document is sufficient to complete the exempt modification request for the above referenced AT&T site.

Thank you for your time and consideration.

Sincerely,

Patricia Nowak
