RE: **EM-AT&T-096-190618** - AT&T Mobility (AT&T) notice of intent to modify an existing telecommunications facility located at 5 Old Town Park Road, New Milford, Connecticut.

Dear Ms. Seeley:

The Connecticut Siting Council (Council) is in receipt of your letter dated September 11, 2020, submitted on behalf of AT&T, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby denies the request for an extension of time to modify the facility. Pursuant to Conditions 7 and 8 of the Council's decision letter dated July 8, 2019 for the exempt modification request, the Council's approval of the modification expired on July 8, 2020 and the applicant did not submit a request for an extension at least 60 days prior to the expiration.

Any modifications to this facility will require explicit notice to the Council pursuant to Regulations of Connecticut State Agencies Section 16-50j-73 and a filing fee.

Thank you for your attention to this matter.

Sincerely,

s/ Melanie A. Bachman
