RE: **EM-AT&T-101-200416** – AT&T notice of intent to modify an existing telecommunications facility located at 120 Universal Drive, North Haven, Connecticut.

Dear Ms. King:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on April 16, 2020. Council staff reviewed this request for completeness and had identified a deficiency that was more fully described in a notice of incompleteness letter/e-mail to the requesting entity dated April 21, 2020 and recommended that Empire Telecom provide a Mount Analysis that is signed and stamped by a professional Engineer licensed in the State of Connecticut, on or before May 22, 2020. To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

s/ Melanie A. Bachman

Melanie Bachman
Executive Director
