RE: TS-EVER-102-200922 – The Connecticut Light and Power Company d/b/a Eversource Energy request for an order to approve tower sharing at an existing telecommunications facility located at 350B Cossaduck Hill Road, North Stonington, Connecticut.

Dear Ms. Shanley:

The Connecticut Siting Council (Council) received the tower share request for the above-referenced facility on September 22, 2020.

According to Section 16-50j-90 of the Regulations of Connecticut State Agencies, “no tower share application shall be approved until a complete application containing all information deemed relevant by the Council has been filed. Relevant information shall at a minimum include that listed in Section 16-50j-89 of the Regulations of Connecticut State Agencies...”

Staff has reviewed this tower share request for completeness and has identified a deficiency in the request due to lack of notice. The above referenced request for tower sharing lacks proof that the entire request was physically mailed to the underlying property owner listed in the property card as Paul R Buehler.

Therefore, the tower share request is incomplete at this time. The Council recommends that Eversource provide proof of proper notice of this tower share request to the underlying property owner, on or before October 28, 2020. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to October 28, 2020. **Please provide an electronic version of the requested information for the incomplete tower share filing to be rendered complete and processed. Please include the Council’s tower share identification number referenced above with the submittal.**

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

s/ Melanie A. Bachman
