RE: **EM-T-MOBILE-104-160627** – T-Mobile notice of intent to modify an existing telecommunications facility located at 1 Chestnut Street, Norwich, Connecticut.

Dear Mr. Simons:

The Connecticut Siting Council (Council) is in receipt of your letter dated August 4, 2017, submitted on behalf of T-Mobile requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until July 19, 2018, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should T-Mobile need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

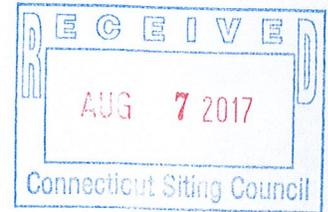

Sincerely,

Melanie A. Bachman
Executive Director

Dear Attorney Bachman,

The T-Mobile site located on 1 Chestnut Street, Norwich, Connecticut was unable to meet the Connecticut Siting Council closeout requirements to comply by July 19, 2016. This site is an exempted modification on a Frontier structure. The site is currently scheduled to be completed by the end of December 2017. We are formally requesting an extension for this EM approval.
