RE: **EM-T-MOBILE-105-160610** – T-Mobile notice of intent to modify an existing telecommunications facility located at 8 Old Bridge Road, Old Lyme, Connecticut.

Dear Mr Richers:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on June 10, 2016.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified one deficiency. The parcel map identifying the property owner and parcel address has not been provided.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that T-Mobile provide the parcel map identifying the property owner and parcel address on or before June 30, 2016.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Very truly yours,

Melanie Bachman  
Acting Executive Director

MAB/FC/lm

c: The Honorable Bonnie A. Reemsnyder, First Selectwoman, Town of Old Lyme  
Kim Barrows, CZET, Land Use Technician, Town of Old Lyme
