Notice of Compliance with Conditions and Construction Completion

Dear Attorney Bachman:

The Connecticut Siting Council (Council) hereby acknowledges your notice to modify this existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies with the following conditions:

1. Prior to T-Mobile's antenna installation, the antenna mount modifications shall be installed in accordance with the Mount Structural Analysis Report prepared by Tectonic Engineering dated July 23, 2018 and stamped and signed by Antonio A. Gualtieri;
2. Within 45 days following completion of equipment installations, T-Mobile shall provide documentation that its installation complied with the recommendations of the Mount Structural Analysis report;
3. Any deviation from the proposed modification as specified in this notice and supporting materials with the Council shall render this acknowledgement invalid;
4. Any material changes to this modification as proposed shall require the filing of a new notice with the Council;
5. Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed;
6. Any nonfunctioning antenna and associated antenna mounting equipment on this facility owned and operated by T-Mobile shall be removed within 60 days of the date the antenna ceased to function;
7. The validity of this action shall expire one year from the date of this letter; and
8. The applicant may file a request for an extension of time beyond the one year deadline provided that such request is submitted to the Council not less than 60 days prior to the expiration.

The attached PE Closeout Letter dated September 30, 2019 provides evidence of compliance with the conditions outlined by the Council.

In addition, T-Mobile hereby notifies the Council that construction of the acknowledged modifications were complete as of June 24, 2019.

Sincerely,

Victoria Masse

Dear Mr. Ballaro:

Tectonic Engineering & Surveying Consultants, P.C. (Tectonic) has reviewed post-construction photos (dated August 14, 2019) and as-built CDs (dated September 13, 2019) by the general contractor D&A Construction. The purpose of Tectonic's review was to ensure construction was completed in general conformance with the Construction Drawings (dated September 28, 2018) prepared by Tectonic. The conclusion of our review is that the work has been completed in accordance with the approved drawings.

If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,
TECTONIC ENGINEERING & SURVEYING CONSULTANTS, P.C.
