RE: **EM-T-MOBILE-158-170913** – T-Mobile notice of intent to an existing telecommunications facility located at 1555 Post Road East, Westport, Connecticut.

Dear Ms. Sabo:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies. The requested modification, as proposed, would increase the diameter of the existing structure.

Thus, the proposed modification is not in compliance with the original Town of Westport Zoning Permit dated March 6, 2015, which includes the condition that "work cannot exceed the scope of this permit and must be built to conform to the approved building plans and survey/site plan nor is it in compliance with the exemption criteria in Section 16-50j-72(b) of the Regulations of Connecticut State Agencies." The proposed project must be filed as a petition for a declaratory ruling.

Very truly yours,

Melanie Bachman
Executive Director
