RE: **EM-T-MOBILE-169-190715 (temp)** - T-Mobile notice of intent to install a temporary telecommunications facility located at the 2019 Woodstock Fair, 281 Route 169, Woodstock, Connecticut. **Woodstock Fair.**

Dear Mr. White:

The Connecticut Siting Council (Council) hereby acknowledges your notice to install a temporary telecommunications facility at 281 Route 169, Woodstock, Connecticut, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies, to provide wireless services during the 2019 Woodstock Fair, an event of statewide significance.

The proposed facility is to be developed as specified here and in your notice dated July 11, 2019. The facility is in compliance with the exception criteria in Section 16-50j-72 (d) of the Regulations of Connecticut State Agencies for temporary cellular service for events of statewide significance. This temporary facility has also been carefully modeled to ensure that radio frequency emissions are conservatively below State and federal standards applicable to the frequencies to be used on this tower.

This decision is under the exclusive jurisdiction of the Council. Any additional change to this temporary facility will require explicit notice to this agency pursuant to Regulations of Connecticut State Agencies Section 16-50j-73. Such notice shall include all relevant information regarding the proposed change with cumulative worst-case modeling of radio frequency exposure at the closest point of uncontrolled access to the tower base, consistent with Federal Communications Commission, Office of Engineering and Technology, Bulletin 65.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman  
Executive Director
