Greetings Melanie -

I used to represent a (former) client in this matter, but I believe I notified the Siting Council of my withdrawal a few years ago. Nevertheless, I just received service of a copy of a notice requesting an extension from Attorney Lee Hoffman, who informs me my client (Ms Hirtle) and I are still on the service list, and that he was obligated to send me the materials.

When Ms Hirtle resolved her issues with the applicant years ago and settled with them, she no longer retained any interest in this project. I believe it was at that time I notified the Siting Council and requested our names be removed from the service list.

Can you do so now? If so, please do. Amongst other factors, I no longer practice law in Connecticut, only in Massachusetts, and there is no interest for my former client for me to serve, at any rate. It will save all the other parties in the matter the bother of sending me materials, and will save me the need to address it.

If you have any questions please do let me know.  
Thanks, and Best Regards,  
Richard
