RE: **PETITION NO. 1184** - Beacon Falls Energy Park, LLC declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, operation, and maintenance of a 63.3 Megawatt AC fuel cell facility located on Lopus Road, Beacon Falls, Connecticut.

Dear Mr. Corvo:

The Connecticut Siting Council (Council) is in receipt of your letter dated January 30, 2020 requesting withdrawal of the above-referenced declaratory ruling. The Council hereby acknowledges your request to withdraw the declaratory ruling.

The Council declares this matter to no longer be pending before this agency. Please note that if you decide to present an amended petition for a declaratory ruling to the Council for a facility on Lopus Road in Beacon Falls that such a request will need to be submitted as a new petition for a declaratory ruling that must follow the applicable statutory and regulatory requirements for a new petition for a declaratory ruling.

Should you have any questions, please feel free to contact the Council office.

Thank you for your attention to this important matter.

Sincerely,

Melanie A. Bachman
Executive Director

Dear Melanie

This letter is to notify you that we have decided to terminate our project, Beacon Falls Energy Park (QP 497) located in Beacon Falls, Connecticut.

We have already notified Eversource Energy and ISO New England of our decision to terminate the project as well. Should you have any questions relative to this letter please do not hesitate to get in touch with me at your convenience.
