Dear Chairman Stein:

On January 16, 2018, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 1 transmission structure at a location along the Eversource transmission right-of-way in the Town of Enfield, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on April 15, 2018.

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathleen M. Shanley".
