Executive Director/Staff Attorney
Connecticut Siting Council
10 Franklin Square
New Britain, CT 06051

Re: **Petition No. 1331 – Cellco Partnership d/b/a Verizon Wireless Petition for Declaratory Ruling to establish two small cell wireless facilities at Lime Rock Park in Lakeville, Connecticut.**

Dear Attorney Bachman:

In accordance with Condition No. 2 of the Siting Council's December 7, 2017 approval of Petition No. 1331, attached please find the final section 106 approval letters from the State Historic Preservation Officer for the two small cell facilities at Lime Rock Park in Lakeville, CT.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin

Report/Review Status:	Approved

Notes/Special Requirements:

For any projects including ground disturbance, please see Verizon's Unanticipated Discovery Plan, for use during site construction and maintenance if cultural materials are encountered.

For project changes, notification to consulting parties must be completed if requested.

NOTE—SPECIAL REQUIREMENTS--SHPO has placed the following conditions on their no adverse effect finding for this project:

- 1. The antenna, mounts, shroud, and associated equipment will be designed, painted to match, and installed to be as non-visible as possible,*
- 2. The facility owner (Verizon Wireless), at its expense, shall maintain the portion of the structure under lease in good condition and in accordance with the Secretary of the Interior's Standards for the Treatment of Historic Properties for as long as it is in use, and*
- 3. if not in use for six consecutive months, the generator and equipment shall be removed by the telecommunications facility owner. This removal shall occur within 90 days of the end of such six-month period. Upon removal, the property shall be restored by the facility owner to its historically appropriate appearance and materials.*
