Decommissioning of Existing Telecommunications Tower

Dear Ms. Bachman:

On June 12, 2020 the Connecticut Siting Council (“Council”) granted The Connecticut Light and Power Company doing business as Eversource Energy (“Eversource”) an extension to September 1, 2020 for the removal of the existing telecommunications tower.

This extension stated that the Council shall be notified should Eversource decide to decommission the existing telecommunications tower prior to September 1, 2020. Eversource hereby notifies the Council that the existing telecommunications tower was decommissioned on August 21, 2020.

Should you have any questions regarding this notification, please do not hesitate to contact me via e-mail at kathleen.shanley@eversource.com or telephone at (860)728-4527.

Sincerely,
