Re: Petition No 1347A – GRE GACRUX LLC

Dear Ms. Bachman:

Pursuant to the Council’s Decision and Order dated November 5, 2020, GRE GACRUX LLC (“GRE”) was required to provide the Council with a Development and Management Plan (“D&M Plan”) for the project. On February 3, 2021, GRE submitted the first phase of its D&M Plan, which was approved by the Council in due course. GRE is now providing the following documents as a second phase of its D&M Plan for the Council’s review and approval. This filing will complete GRE’s D&M Plan submission to the Council so that the project may commence the next phase of development.

The items listed below comprise the final D&M Plan submission for the construction of the project. The following items are included in this submission:

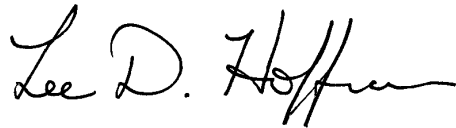

- F) Final Structural Designs for the two sets of racking that will be used;
- J) Building and Electrical Permit reviewed by Fire Marshal;
- K) Post-Construction Operations and Maintenance Plan; and
- L) Decommissioning Plan.

I am enclosing an original and 15 copies of this D&M Plan submittal. I further certify that a copy of this D&M Plan submittal has been provided to all parties of record on the service list for this Petition as of the date of this letter.

Please contact the undersigned if you have any questions regarding this submittal. GRE looks forward to the Council's approval of the remainder of GRE's D&M Plan.

Sincerely,
