Good morning.

I hope everyone had a nice weekend.

With regard to the below e-mails referencing the February 26, 2020 correspondence from Attorney Hoffman, the Siting Council will distribute a memo to the parties and intervenors now that the petition has been reopened seeking comments and/or briefs on the question presented in the correspondence related to legal representation of corporations and associations such as STR-STH in administrative proceedings.

We will endeavor to issue this memo by close of business today.

Thank you.

Here is trying to stretch the law to the SC. In my opinion, an administrative hearing is before a judge, not necessarily in a court room. SC meetings are more like land use agencies where you clearly do not need an attorney to present evidence. I think Doug presented evidence to the SC on the Brooklyn site without an attorney I believe.

My two cents  
Steve

Hello - I hope all remains well in your world.

I am deeply concerned about the trajectory of Mr. Hoffman's attached letter. I was under the impression that STR-STH could be part of the proceedings without having an attorney. I am looking for guidance from the Council on this.

As always, thank you for your help on this matter. :) Deb
