INTERROGATORIES DIRECTED TO THE TOWN OF WATERFORD  
FROM SAVE THE RIVER-SAVE THE HILLS, INC.

Save the River-Save the Hills, Inc. ("STR-STH") asks that the Town of Waterford (the "Town"), respond to the following interrogatories:

1. Has the Town Fire Marshal reviewed GRE's site plans and submissions? If not, when will he do so? If so, what are his recommendations with respect to safety should the solar array catch fire? How will a fire be contained to the project site?

2. Has Town Fire Marshal reviewed and deemed the roadway access to the project site adequate for emergency vehicles and personnel to access all areas should an accident happen during or post construction? If not, when will he do so? If so, what are his conclusions?
