RE: PETITION NO. 1401 - Revity Energy, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 12.25-megawatt AC solar photovoltaic electric generating facility on approximately 74.9 acres located at 424 Snake Meadow Road, Plainfield, Connecticut and 0 Valley Road, Sterling, Connecticut, and associated electrical interconnection to Eversource Energy's Fry Brook Substation.

Dear Attorney McDermott:

The Connecticut Siting Council (Council) received correspondence from the Department of Agriculture (DoAG) dated April 24, 2020 and from the Department of Energy and Environmental Protection (DEEP) dated April 27, 2020 regarding the above-referenced petition for a declaratory ruling stating the proposed 12.25-megawatt solar photovoltaic electric generating facility will not materially affect the status of prime farmland or core forest, respectively, in accordance with Connecticut General Statutes §16-50k.

The receipt of correspondence from DoAG and DEEP renders the petition for a declaratory ruling complete and the Council will process the petition for a declaratory ruling in accordance with Regulations of Connecticut State Agencies Section 16-50j-40.

Thank you for your attention and cooperation.

Sincerely,

s/Melanie A. Bachman

Melanie A. Bachman
Executive Director
