Subject: Petition 1410 -- PRESS change in corporate status

Ms. Bachman:

Proponents for the Responsible Emplacement of Stonington Solar filed for party status in this matter as an association of three people. It has since incorporated under the same name, so my filings today reflected that change by referring to Proponents for the Responsible Emplacement of Stonington Solar, Inc. The same three people are officers. I wanted to alert the Council and parties to that change in advance of the hearing next week.
