Re: Petition of Bristol Solar One, LLC for a Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is Required for the Proposed Construction, Operation and Maintenance of a 3.25 +/- MW AC Solar Photovoltaic Electric Generating Facility Located at 399 Hill Street, Bristol, Connecticut

Dear Ms. Bachman:

Enclosed you will find two sets of documents. One contains a list of abutters, showing mailing dates and returns, if applicable, followed by the letters to the abutters themselves.

The second set of documents contains a list of government officials, showing mailing dates, followed by the letters to the official themselves. You will note that the officials are split into groups of town officials, elected officials and state agencies.

Sincerely,

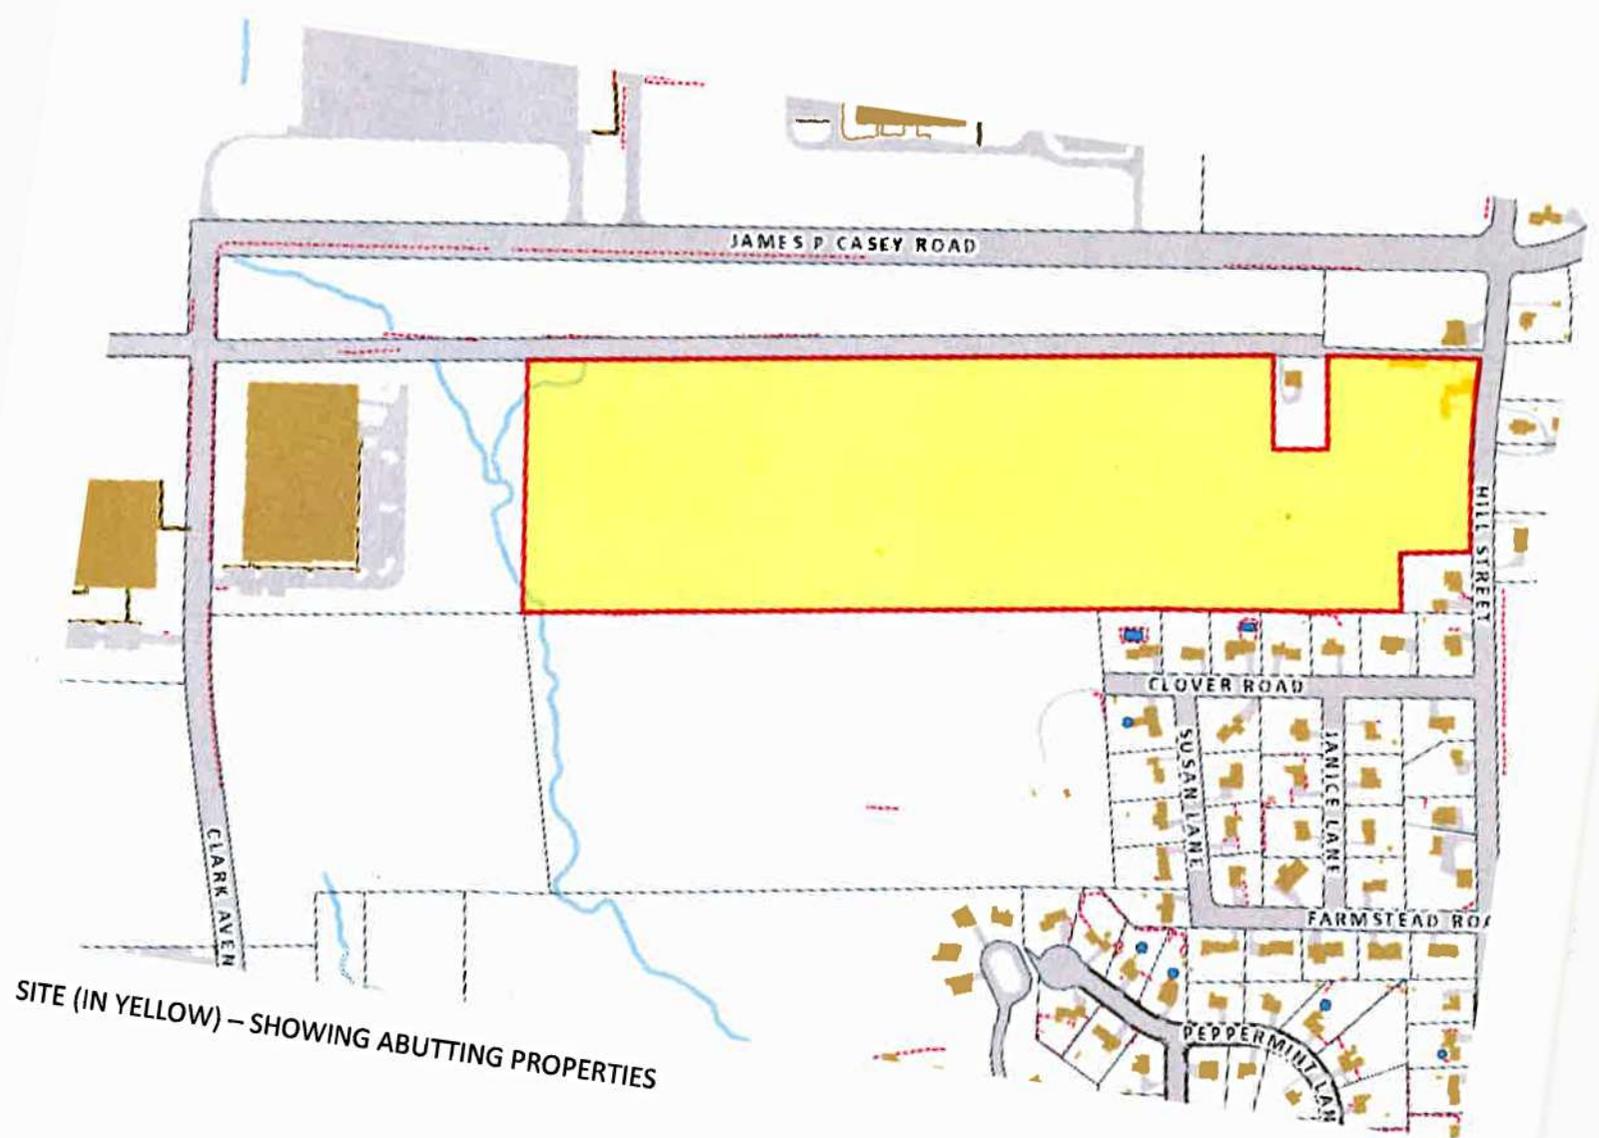

Lee D. Hoffman

Re: Bristol Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be Located in Bristol, Connecticut

Dear Sir/Madam:

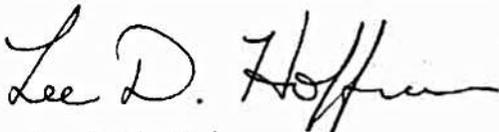

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Bristol Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after May 29, 2020. This petition will request the Council's approval of the location and construction of a 3.25 megawatt alternating current ground-mounted solar photovoltaic system on a 28-acre parcel of land in the Town of Bristol, Connecticut ("the Project").

The Project is located in the central, western portion of Bristol, on a lot located at 399 Hill Street. The parcel is on the west side of Hill Street, with Minor Street running along its northerly border.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Bristol. You can also access a copy of the Petition at the Council's website: www.ct.gov/csc. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman
Attorney for Bristol Solar One, LLC

Re: Bristol Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be Located in Bristol, Connecticut

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Bristol Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after July 20, 2020. This petition will request the Council's approval of the location and construction of a 3.25 megawatt alternating current ground-mounted solar photovoltaic system on a 28-acre parcel of land in the Town of Bristol, Connecticut ("the Project").

The Project is located in the central, western portion of Bristol, on a lot located at 399 Hill Street. The parcel is on the west side of Hill Street, with Minor Street running along its northerly border.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Bristol. You can also access a copy of the Petition at the Council's website: www.ct.gov/csc. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman

This petition will request the Council's approval of the location and construction of a 3.25 megawatt alternating current ground-mounted solar photovoltaic system on a 28-acre parcel of land in the Town of Bristol, Connecticut ("the Project").

The Project is located in the central, western portion of Bristol, on a lot located at 399 Hill Street. The parcel is on the west side of Hill Street, with Minor Street running along its northerly border.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Bristol. You can also access a copy of the Petition at the Council's website: www.ct.gov/csc. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Re: Bristol Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be Located in Bristol, Connecticut

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Bristol Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after July 20, 2020. This petition will request the Council's approval of the location and construction of a 3.25 megawatt alternating current ground-mounted solar photovoltaic system on a 28-acre parcel of land in the Town of Bristol, Connecticut ("the Project").

The Project is located in the central, western portion of Bristol, on a lot located at 399 Hill Street. The parcel is on the west side of Hill Street, with Minor Street running along its northerly border.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Bristol. You can also access a copy of the Petition at the Council's website: www.ct.gov/csc. If you have any questions regarding the Project, please contact the undersigned or the Council.
